

## Wake N Grill Spatula Multi Tool WNG-SPATULA

The Spatula Multi Tool incorporates all the things you need in one simple burger flipping tool.

The spanner wrench opening can be used to adjust the grill height , open a cold one, and the cooling holes are sized to fit a standard drain plug in case you find yourself without a wrench.

### **WARNING**

Don't give this tool to the grill master that drops everything, none of the features include floating.
